City, State ZZZIP

To the Hiring Committee,

My name is Juliette Bruce, and I am a graduate student at the University of Wisconsin - Madison, working in algebraic geometry, commutative algebra, and arithmetic geometry under the guidance of my advisor Professor Daniel Erman. I expect to receive my Ph.D. in Mathematics from the University of Wisconsin - Madison in the Spring of 2020. I am writing to apply for the NEEEEEED. I would be especially interested in working with NEEEEEED.

With my application, I include the standard AMS cover sheet, a curriculum vitae, a research statement, and a teaching statement. I will have five letters of recommendation; four research letters: Christine Berkesch (cberkesc@umn.edu), David Eisenbud (de@msri.org), Daniel Erman (derman@math.wisc.edu), and Kiran Kedlaya (kedlaya@ucsd.edu), as well as one teaching letter from Shirin Malekpour (shirin.malekpour@wisc.edu).

A few highlights in my file are:

- Elizabeth Hirschfelder Prize (October 2019) - Awarded to an outstanding female student who has demonstrated promise in their academic work.
- Teaching Assistant Award for Exceptional Service (February 2018) - Campus-wide award recognizing TA's who perform exceptional service

Please do not hesitate to contact me with any questions, or if there is anything else I can provide, and thank you in advance for your consideration.

Sincerely,

Juliette Bruce  
Graduate Student
