## **Employment**

Brown University	Providence, RI
Postdoctoral Research Associate	2022 – Present
• University of California, Berkeley NSF Postdoctoral Fellow	Berkeley, CA 2020– 2022
• Mathematical Sciences Research Institute	Berkeley, CA
Postdoctoral Fellow	2020– 2021

## Education

• University of Wisconsin	Madison, WI
Ph.D. Mathematics	2014 – August 2020
- Advisor: Daniel Erman	
• University of Wisconsin	Madison, WI
M.A. Mathematics	2014 – 2016
University of Michigan	Ann Arbor, MI
B.S. in Mathematics & Political Science	2010 – 2014

### Research Interests

Algebraic Geometry, Commutative Algebra, Arithmetic Geometry. Specifically, combinatorial and homological methods in algebraic geometry, and algebraic geometry over finite fields.

## Multimedia

1. SyzygyData.com, (with D. Erman, S. Goldstein, and J. Yang). An online public database on large-scale syzygy computations.

### **Grants**

• Conference Grant – \$23,000 Fields Institute / National Science Foundation	July 2022
• Postdoctoral Research Fellowship – \$150,000 National Science Foundation	2020 – 2022
• Conference Grant DMS-1908799 – \$15,000 National Science Foundation	March 2019
• Graduate Research Fellowship National Science Foundation	2015 – 2018
• Conference Grant DMS-1812462 – \$15,000 National Science Foundation	February 2018
• Professional Development Grant – \$1000 Graduate School – University of Wisconsin	December 2016

## Awards & Honors

• Capstone Teaching Award

Awarded to one student in the math department for an exceptional record of teaching excellence.

October 2019

• Excellence in Mathematical Research Award

Recognizes significant and substantial contributions to research as part of their thesis.

October 2019

• Elizabeth Hirschfelder Prize  Awarded to an outstanding female student.	October 2018
• Mathematics TA Service Award  Dept. of Mathematics - University of Wisconsin	April 2018
• Teaching Assistant Award for Exceptional Service  Campus-wide award recognizing TA's who perform exceptional service	February 2018
• Outstanding Achievement in Mathematics  Dept. of Mathematics – University of Michigan	May 2014
• Phi Beta Kappa University of Michigan	April 2014
• Chancellor's Opportunity Award University of Wisconsin	April 2014

# Seminar & Session Organizing

• Special Session on Combinatorial Algebraic Geometry October 1 - October 2, 2022

• Commutative Algebra & Algebraic Geometry Seminar September 2021 - May 2022

**UC** Berkeley

 Special Session on Commutative Algebra May 1 - May 2, 2021

AMS Sectional

• Experimental Talks in Algebraic Geometry May - July, 2020

Held Virtually

• Special Session on Combinatorial Algebraic Geometry

AMS Sectional

September 14 - September 15, 2019

## **Outreach Activities**

## Virtual Directed Readings in Geometry

Held Virtually

Organizer

February 2021 - April 2021

- Created a virtual, open access, directed reading program for undergraduate students.
- Approximately 30 students signed up for the 5-week reading group.

# · Algebraic Geometry in the Time of COVID

Held Virtually

Shepard

*June 2020 – October 2020* 

- A virtual, open access introductory course in algebraic geometry.
- Approximately 1600 registered participants.

## • Undergrad Directed Reading Program Mentor

University of Wisconsin

January 2018 – May 2019

- Lead two semester long reading projects on commutative algebra and algebraic geometry.
- Lead an undergraduate women on a two semester reading project, and provided guidance on applying for REU's and graduate school.

## Graduate Peer Mentoring

University of Wisconsin

Mentor

September 2018 - December 2018

- Mentored 5 first year graduate students from minority genders, organizing monthly dinners where the mentees could discuss issues they were facing.

### • Girls Math Night Out

University of Wisconsin

Mentor

September 2018 – December 2018

- Lead 2 women from local high schools on a semesters long project about cryptography.

### • Madison Math Circle

University of Wisconsin

Lead Organizer

January 2016 - December 2018

- Lead the creation of a new outreach program, which directly visits high schools around the state of Wisconsin to better serve students from underrepresented groups.
- Expanded the total number of students reached per year from 25 to >250.

### • Madison Math Circle

University of Wisconsin

Student Volunteer

January 2015 – December 2018

# • Out in STEM (oSTEM) @ UW-Madison

University of Wisconsin

co-Founder

July 2017 – Math 2018

- Founded, at the time. the only campus resource specifically for LGBTQ+ individuals in STEM, and grew the organization to over 50 members.

- Secured a travel grant to help 11 members (undergraduate and graduate students) attend the national oSTEM conference.

Madison Mega Math Meet

Graded

University of Wisconsin May 2015

• Bonding Undergraduate and Graduate Students Mentor for Undergraduate

University of Wisconsin September 2014 – December 2014

Michigan Math Circle

University of Michigan

Organizer

January 2013 – June 2014

### Outreach Panels

 Holding AMS Meetings in Localities with Discriminatory Practices Joint Math Meetings Panelist January 2022

• AWM 101: What You Need to Know about Women in Math Joint Math Meetings Panelist January 2022

· Equity, Diversity, and Inclusion in Mathematics **CAIMS** June 2021 Panelist

· Diversity and Inclusion Panel Womxn in Math at Berkeley Panelist April 2021

· How to Stay Productive as a Researcher Lunch in the Time of COVID Panelist June 2020

• Mathematics Research Online: Hosting Virtual Events Held Virtually Panelist May 2020

• Supporting Transgender and Non-binary Students MAA Panel at the JMM Organizer & Moderator January 2020

• Out in Math: Professional Issues Facing LGBTO Mathematicians MAA Panel at the JMM Panelist January 2018

## Teaching Experience

Instructor

 Math 221: Calculus and Analytic Geometry I Teaching Assistant

University of Wisconsin Fall 2014/2018/2019

- Selected as a TA coordinator in 2018 and 2019, and was responsible for overseeing all other TA's and mentoring first year TA's.

- Average score 4.9/5.0

Math 228: Wisconsin Emerging Scholars

University of Wisconsin Fall 2018

- Course providing students from underrepresented groups additional support.

- Average score: 5.0/5.0, 100% amongst all TA's

• Math 132: Wisconsin Emerging Scholars Instructor

University of Wisconsin **Spring 2015** 

- Responsible for all aspects of the course.

## • Inquiry Based Learning Courses

Course Assistant

University of Michigan 2012-2014

- Assisted with advanced undergraduate courses on topology, analysis, and probability.
- Facilitated inquiry based learning in the classroom, and responsible for office hours, grading, and review sessions.

### Service

• Spectra: The Association for LGBTQ+ Mathematicians

President

September 2020 – January 2022 Editorial Board September 2020 – Present

• Communications in Algebra Communications Editor

• Spectra: The Association for LGBTQ+ Mathematicians
Board Member

September 2020 – January 2022

• AMS Graduate Student Blog
Writer & Editor

American Mathematical Society September 2015 – September 2018

• Committee on Inclusivity and Diversity

Member

UW Dept. of Mathematics *November 2016 – August 2017* 

Created policies seeking to make the department a more welcoming, inclusive, and comfortable
place. This included drafting the department's statement on inclusivity, and creating similar
statements for syllabi to be used throughout the department.

• Committee on TA Pay and Performance Member UW Dept. of Mathematics September 2015 – August 2017

- Developed and implemented a new system to evaluate TA performance, with the goal of creating a more transparent, useful, and non-biased system.

• Instructor Excellence Program

Teaching Mentor

UW Dept. of Mathematics September 2015 – May 2016

• Society of Undergraduate Math Students President and Founder

University of Michigan

December 2012 – June 2014
