Arbeitsgemeinschaften: ID 2642
New Homological Methods in Toric Geometry
Mathematisches Forschungsinstitut Oberwolfach

Dear MFO Director / Arbeitsgemeinschaften Organizers,

This is my application to the Arbeitsgemeinschaften in *New Homological Methods in Toric Geometry* (ID 2642) occurring October 11 to October 16, 2026. I would generally be happy giving any of the talks in this program, but of the talks my top three would be:

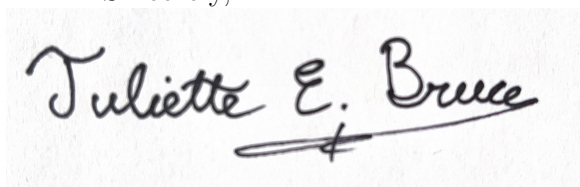

1. 3.3. The Cox category, II: Definition.
2. 3.2. The Cox category, I: Background.
3. 4.2. Proof of Revised King's Conjecture, II: Exceptionality.

Following this letter is a copy of my CV, which includes a publication list. My full postal address is:

Juliette Bruce
27 N. Main Street
Kemeny Hall
Department of Mathematics
Dartmouth College
Hanover, NH 03755 USA

Thank you so much for your consideration.

Sincerely,

Juliette Bruce
Assistant Professor
